

Tri-Chapter Seminar 2025

September 9-10, 2025, Harrisburg, PA

Please join the Appalachian, Liberty and Mid-Atlantic chapters as we host our **10th Annual Tri-Chapter Seminar!** This year’s event will again be in person. The seminar will provide great information, including discussions and updates from DCSA. Speakers will provide insights into a several important topics including the PRC & Russia strategic goals – Threats to Critical Infrastructure and DIB, Cybersecurity, What the FOCI? FCL sponsorship process/Changed conditions, industrial security updates, NBIS, Continuous Vetting, and SEAD-3 reporting. If attending in person please join our evening Social, where you will have the opportunity to network as well as discuss and establish Mentoring opportunities. There will also be AVS, BI, and NBIS helpdesks on-site both days! We are continuing our raffle drawings each day, offering some great prizes. All in-person attendees will be eligible for these prizes!! Attendance both days is expected to be awarded 13 CEU’s. Here are just a few of our presenters:

Tri-Chapter Seminar 2025

September 9-10, 2025, Harrisburg, PA

Where can you get up close and network with some of the greats in Industry?

All those long waits online waiting for someone to answer at one of the Help Desks. Well, you can meet with those teams in person to address the concerns you are having! No long lines and waiting!

This year marks our 10th anniversary with a great lineup at a low cost. You can't beat it!

Local in Harrisburg, PA, we are accessible to major highways and a great location.

In case you have not seen some of our scheduled presenters before, let us introduce some of them and how they all play a part in what we do every day.

Larry Vincent, DCSA Asst. Director, Field Operations – *Larry plays a key role in the DCSA Core Mission areas and is responsible for field resource planning and integration to support DCSA's mission.*

Kevin Wulforst, US Army Maj. General (Retired) – *Kevin leads a team of Intelligence Analysts and Staff Operations specialists that provide threat intelligence research to private and public sectors partners and supports intelligence outreach focused on cyber & physicals threats to critical infrastructure.*

Cathe Kaohi, NCMS Board of Directors, NCMS Live – *Cathe hosts the NCMS Live, "Ask the FSO" and is a wealth of knowledge of anything related to what we endure daily in our security roles.*

Quinton Wilkes, Director, Corporate Security, L3Harris – *Quinton is our Liaison between Industry and DCSA. He also sits on the sub-committee for NISPPAC and brings us with all the latest information in Industry and gives us the facts!*

Kevin Newman, Principal Cybersecurity Engineer, GEGRITY, Inc. – *Kevin has presented several times at NCMS Nationals and has assisted varied DoD ad IC support defense contractors in meeting C&A/A&A compliance requirements while specializing in agile business requirements and metric-based Cybersecurity.*

Chuck Tench, DCSA Program Manager and IT Specialist – *Chuck is a highly recommended presenter. Chuck has standing room only at his NCMS workshops. Mission success in process improvement, planning, and requirements within Trusted Workforce alignment. Chuck has a big voice in NBIS. You don't want to miss him!*

The Tri-Chapter is deemed the "Little National". The best presenters at a valued cost while up close & personal. Please consider joining us in person!
